Crowning Glory

After a successful interview with Wing Commander Bower on Thursday, 12th October 2006, Antoni Otulakowski from 134(Bedford) Squadron, Air Cadets was promoted to the highest NCO rank of 'Cadet Warrant Officer'.

As this is a Wing appointment, Cadet Warrant Officer Otulakowski will report to the Wing Commander; on the squadron though his duties will include the management of the NCO team and delivering some of the Squadron training.

This year has seen Antoni invited to the Royal Garden Party, achieve a solo flight in a Vigilant glider, and earn a Corps Blue in Cross-country; yet there are still more goals for the future, such as qualifying for his Silver Duke of Edinburgh Award.

Antoni is currently applying for the position of a Royal Navy Warfare Officer.
