PRESS RELEASE

Dunstable Air Cadets 'Fly' for charity

Air Cadets from 460 (Dunstable) Squadron will be providing the entertainment at the Dunstable Town Council's Charity Firework Display at Bennett's Recreation Ground on Sunday 5th November with a display re-enacting the precision flying sequence of the Royal Air Force Aerobatic Team the Red Arrows. During the performance, in aid of the Royal Air Force Association, the Cadets will carry out the full Red Arrows display using 'mock-ups' of the Hawk aircraft used by the RAF and specially made for the occasion by the team. Following their successful swimming pool drill sequence in 2005 that raised over £1500 for the charity, the team are hoping that this years 'sound and light' display will be an exciting prelude to what has become the best firework display in the local area and raise more than £2000 for the Royal Air Force Association. At the end of the display the 'aircraft' will be offered to the 9 people who make the largest donation to the charity during the evening so come along and support both the Town Mayor's charities and the Royal Air Force Association at this fun evening for all the family.

Dunstable Squadron are currently recruiting so, if you are aged between 13 and 16 years of age with a sense of adventure why not contact Flt Lt Mick Bell on 01234 307776 or at atc460sqn@yahoo.co.uk, visit our web site at www.dunstable-aircadets.org.uk, or visit the Squadron any Monday or Thursday evening.
