## PRESS RELEASE

### Flying High

On Sunday the 4th June three cadets from 1003 (Leighton Buzzard) Squadron went on their first Air Experience Flight at RAF Wyton in the RAF trainer aircraft the Grob Tutor.

After the safety brief the cadets went to the flight safety area to be kitted out in their flying overalls and helmets, then they moved forward to the flight line to meet their pilots and get strapped in for their flight. The weather conditions were perfect and the cadets enjoyed a 30 min flight which took in some nice gentle aerobatics; barrel rolls and loop the loop, all cadets were given a chance to take control of the aircraft and fly to give them the ultimate flying experience.

On returning to ground level a smiling Cadet Hughes said “Wow that was great the best yet, when can I go again”.

Flt Lt Weston who accompanied the cadets said “all the cadets who take this opportunity to have an air experience flight always have a great day, you know they have had a great day as they talk about it all the way home and have big smiles on their faces”.

If you would like to know more about the Air Training Corps the please contact Flt Lt P Weston on 01525 851728 Mondays and Thursdays 19:30 - 21:30 The squadron is also looking actively recruiting adult staff who also have the chance to join in activities at the Squadron.
