PRESS RELEASE

Masters Degree Award

On the 10th May, Flt Lt Andrew Belshaw, OC 2417 (Newmarket) Squadron and the Senior Air Traffic Control Officer at RAF Wyton, attended a graduation ceremony at the Central Methodist Hall, Westminster. It was the culmination of a 2 year Masters Degree in Air Transport Management at City University and a day to be remembered.

Amongst Andrew's guests were his parents, his wife Sally, who is also an Air Traffic Control Officer at Wyton, Squadron Leader Kevin Dalley RAF (Rtd) and the VT Aerospace LAFT Contract Manager, Steve Power.

Andrew said that he is extremely grateful to all those who supported him during his course of study, and in particular, VT Aerospace for sponsoring him. Having taken some time out from command in order to complete the project, Andrew is very pleased to be back and hopes to be in a better position to take 2417 to greater achievements following its success last year (3 cadets being awarded Air Cadet Pilot Scheme places in addition to several gliding scholarships). He hopes that the MSc will inspire the youngsters on the squadron to achieve the best possible grades at school before going onto their chosen careers or further studies.
