## PRESS RELEASE

### IN THE THICK OF IT DOWN HEReward WAY.

It was a bit of a jungle out there on leg 6 of the Hereward Way as cadets from 1220 (March) Sqn complete the 11 ½ miles from March to Whittlesey. It was evident that some parts of this leg don't see many of visitors as the cadets and staff found themselves wading chest high in the undergrowth. The completion of leg 6 sees just over 70 miles completed and around 40 to go.

The Hereward Way runs 110 miles from East Harling in Norfolk to Oakham in Rutland, passing through March en route. The cadets plan to complete the route over 9 stages and will gain valuable experience which can be used towards their Duke of Edinburgh's Award.

For further information on 1220 log onto the website at [www.1220atc.org.uk](http://www.1220atc.org.uk) .
