## **PRESS RELEASE**

### **The signals clear**

Thirteen Cadets from 22 (Sandy) Squadron passed their Provisional VHF Radio Operators Course on 24<sup>th</sup> May. Their Instructor CI John Shere, the Radio Officer from 73 (Huntingdon) Squadron instructed them to enable them to get on to the first rung of the ladder and work their way towards their Communicators Badge. During the Course the Cadets learned the call signs, the phonetic alphabet and correct radio procedure, and they passed the exam with flying colours. This now qualifies them to operate radios under supervision. The next stage commences in the Autumn.

Due to the exams at School not all Cadets were able to be present for the presentation of their certificates, *(photo attached) left to right F/S Tom Jackman, Cdts Jason Filby, Laura Jones, Mr John Shere, Cdts Kim Coates, Clare Hillier and CWO Jeffrey Henshaw.*

Congratulations to all, and grateful thanks to John Shere for his time and effort.
