PRESS RELEASE

LUCKY MARCH CADET'S TRIP TO GERMANY

One lucky Cadet from 1220 (March) Squadron Air Training corps got the amazing opportunity to attend an overseas camp at Rhinedahlen in Germany .

Cadet Corporal Luke Goodall said "I had an amazing time and we did so much. It really was a great camp". The cadets got to do many things during the week including shooting, and visiting other bases as well as trips to museums and fun activities like go-carting and bowling.

One important part of the week as far as Corporal Goodall was concerned was a visit to the museum and cemetery in Arnhem , "the museum was good but the cemetery was the most important part of the visit". The cadets also visited a German movie theme park which they enjoyed a lot. Everyone enjoyed the camp and made new friends from different places which sums up what the camp was about, meeting new people, going to new places and most of all enjoying it.

March Squadron is now recruiting for its next intake night on Tuesday September 9th. If you are aged between 13 and 17 why not join one of areas premier youth groups. There is an open evening on Wednesday 3rd September at 7:30pm for potential cadets and parents to come and see what we do.
