Bassingbourn Air Cadets

Driving Home the Message!

On Saturday 5th July Cadets from 2484 Squadron Air Cadets helped charity CamSight with their fundraising and awareness event – Driving Blind.

As the title suggests teams of blind/partially sighted or blindfolded drivers and their trusty guides in the rear of the vehicle, had to negotiate their way around an obstacle course against the clock. The vehicles were kindly provided for the event by BSM, their instructors sitting nervously in the passenger seat.

Air Cadets undertook the marshalling and timekeeping (and replaced the odd squashed traffic cone!).

A great time was had by all and at the end of the day BSM instructors gave the young cadets their first driving lesson.

One of the contestants commented “what a fabulous opportunity to get behind the wheel of a car – a first for me”.

2484 Squadron are currently recruiting Cadets (Male and Female!) – contact 01763 249156 on Mon/Wed 6.45pm-9.45pm or e-mail recruit@2484atc.com. Visit our website at www.2484atc.com or come and see us on Squadron evenings.
