Rain Doesn't Dampen Spirits

Cadets from 272 (Wisbech) Squadron Air Training Corps (ATC) attended Bassingbourn Barracks in Cambridgeshire for the Annual Bedfordshire @ Cambridgeshire Wing Cross Country Championships last weekend.

The wet weather didn't deter the 10 cadets from the squadron that ran, amongst approximately 340 cadets that attended from all over the wing in the 3 mile event.

Although unsuccessful in winning the competition, all the cadets managed to finish the course even though some were junior cadets.

Cpl Mike Ahmed (RAF), Organiser of the squadron's team says "*The cadets did really well despite the weather. The spirits and morale of all 10 cadets really proves that fun can be had by all!*"

If you are interested in joining the squadron and participate in activities such as these and many more please come and see us on Monday or Thursday nights at our Sandyland Headquarters or ring 01945 587251.
