## PRESS RELEASE

### WEB SITE TAKES OFF IN TIME FOR RECRUITING CAMPAIGN [www.51Sqnatc.co.uk](http://www.51Sqnatc.co.uk)

51 (Orton) Squadron Air Training Corps web site is now up and running.

The web site designed by Cadet Sam Harding has been developed to provide useful information, up to date calendar of future events and useful information and updates on experiences of the cadets and staff from the Squadron.

Pilot Officer Angela Bone Officer Commanding 51 (Orton) Squadron said that Cadet Sam Harding had pulled out all the stops in getting the web site off the ground ready for our recruitment campaign in October and November. He has shown great ingenuity and integrity meeting a demanding deadline. This reflects the kind of work and professionalism the cadets are capable of. The cadets this year have achieved so much and taken part in many varied activities from Duke of Edinburgh Award scheme expeditions, National First Aid qualifying competitions, and various sporting activities including hockey, rugby football and netball.

If this has interested you why not visit the web site for more information or the Squadron is recruiting now until the end of November. If you are aged between 13-18 and would like to pop in for an informal chat come along on any parade night Tuesday and Wednesday between 1900-2115 at the Squadron HQ. You will find us at Orton Longueville School near the main reception.

A warm welcome awaits, we look forward to seeing you
