

73 (Huntingdon) Sqn ATC

On Tuesday 11th November the cadets and staff of 73 (Huntingdon) Sqn Air Training Corps took part in a fundraising evening for BBC Children in Need. The squadron auctioned off ranks from cadet Corporal to Squadron Leader RAF VR(T). The cadets aged 13 – 18 years old using their own pocket money and wages from part-time jobs bid to become the visiting Squadron Leader or to take over the squadron for the night. They raised £150 in total.

Cdt Moniz (14) became the Commanding Officer for the night, and as part of her job she presented another cadet, Cadet Rainbird (17) with her Gliding Scholarship Certificate. Cadet Rainbird gained her Gliding Scholarship on her 17th birthday last month when she flew a glider solo. Cdt Mason (13) became the visiting Squadron Commander and as such sat in on some interviews for Staff cadet and gave some words of encouragement to the squadron on the final parade.
