PRESS RELEASE

Lifesavers

Air Cadets from 2484 (Bassingbourn) Squadron have recently completed First Aid qualifications following a series of training at their headquarters on Bassingbourn Barracks. Training involved the use of resuscitation dolls alongside classroom work and practical exercises.

Along with eighteen Cadets gaining their Young Life Saver award, two Cadets and a member of staff gained First Aid at Work qualifications following a course run at RAF Henlow.

CI Andrew Kyrianou said "Thanks to the Air Cadets I have gained a valuable skill that privately would have cost a lot to achieve".

2484 (Bassingbourn) Squadron is open to young men and women aged between 13 and 17 years old. We meet on Mondays and Wednesdays between 18:45 and 21:45 at Bassingbourn Barracks. For more information please contact 01763 249156.

Sgt Chris Cox ATC
