26 Sept 2008

SQUADRON STANDARD BLESSING AND PARADE

The Cadets, Staff and Civilian Committee of No 2500 (St Neots) Squadron are holding the above event at St Mary's Parish Church, Church Street, St Neots from 15.00 hours on Sunday 12th October 2008 for the purpose of 'Laying Up' our old Standard and the 'Blessing' of our new Standard, also a short service will take place enrolling our new Squadron Padre Rev Dr Paul Andrews.

Our old Standard was purchased and blessed back in the early 1980's and has served at many local and national events be it Civic or Military.

Cadets have raised funds to purchase our new Standard by holding a raffle, Bag Packing at Marks & Spencer and B&Q Store in St Neots also through a generous donation from the local Royal Air Force Association.

The Squadron would like to invite along any past Cadets, Staff or Civilian Committee Members of the squadron to witness the Service.

The Squadron will form the Parade up at the RAFA Club, Huntingdon Street, St Neots at 14.40 hours and march to the Church.

After the Service we will then march back to the RAFA Club where the Parade will Fall Out, light refreshments will be served in the Lounge of the RAFA Club.

We look forward to as many friends of the Squadron attending.
