PRESS RELEASE

TRAIN TO GAIN

Cadets from 2484 (Bassingbourn) Squadron have recently undertaken a weekend of leadership training. The 17 young men and women gave up their own free time in order to aid their development.

The two day course was designed to give essential training to potential Cadet NCOs so they can take charge of junior Cadets. Subjects covered included drill instruction, presentation techniques alongside uniform inspections. During the course the Squadrons current SNCOs spent time learning about project management and risk assessments.

Sgt Chris Cox said "As staff we are always willing to invest our time in the development of the Cadets on the Squadron, the skills that they have learnt over the two days will now be utilised in the day to day running of the unit. These skills will make Cadets more attractive to future employers"

2484 (Bassingbourn) Squadron is open to young men and women aged between 13 and 17 years old. We meet on Mondays and Wednesdays between 18:45 and 21:45 at Bassingbourn Barracks. For more information please contact 01763 249156.

Sgt Chris Cox ATC
MCO 2484 (Bassingbourn) Squadron
