## Happy Campers at Wisbech Air Cadets

Last week, 8 cadets from 272 Wisbech Air Training Corps joined 35 other squadrons from the Beds/Cambs Wing at Napier Barracks in Folkestone for this years Easter Camp.

Sergeant (Sgt) Ben Stek, Corporal (Cpl) Tim Atkins and Cadets (Cdt) Rebecca Best, Ryan Timbrell, Oli Grocott, Luke Jermy, Russell Coombes and Robert Smith enjoyed seven days of activities and fun.

Whilst there, they completed several exercises including Communications and Navigation, Raft Building, Rock Climbing and Abseiling and enjoyed the thrill of the DCCT (Dismounted Close Combat Trainer) Range which is a computerised shooting range. 7 of the cadets also were able to enjoy a flight in a Chinook helicopter.

This camp is just one of the many camps that the cadets get a chance to attend each year as well as many other activities. The cadets are holding a fund raising bingo at Emneth village Hall on Thursday 23<sup>rd</sup> April so if you would like to have an informal chat come along and speak to one of our many cadets and staff that will be there. Or you may like to come along to our headquarters on a Monday or Thursday evening for a chat and see what else we can offer you.
