PRESS RELEASE

SUMMER CAMP GOES TO RAF BOULMER

Air Cadets and Staff from 1220 (March) Squadron have recently returned from a weeks summer camp at RAF Boulmer in Northumberland. While at the camp the cadets had the opportunity to visit some of the sections there to see how the Royal Air Force operates.

In addition to this they took part in activities such as a low ropes course, marksmanship training, swimming, and they travelled to RAF Spadeadam to join up with cadets from Merseyside for a night exercise. They also visited some local places of interest including Alnwick castle which is used as Hogwarts in the Harry Potter films.

Cpl Tim Kightly and Cdt Scott Goodall completed their Basic swimming proficiency and Cdts Daniel Lowe and Megan Doyle progressed to complete the proficiency at Intermediate level. While these cadets were swimming Cadet Michael Twiddy was being put through his paces in the gym by some PTIs.

The highlight of the week was when all of the 1220 Sqn Cadets and staff had a flight in a Sea King with 202 Sqn Search and Rescue. It was exciting to see the area from the air including a 'broomstick view of Hogwarts!' This was made possible through Master Aircrew Paul Mills, an aircrew member on 202 Sqn and an ex-cadet of 1220.

At the end of the week Cadet Megan Doyle was awarded a certificate for endeavour as she overcame several fears to complete some of the activities during the week.
