### **Biggleswade Air Cadet's practice their flying on the simulator**

On Sunday 26<sup>th</sup> July 10 air cadets attended RAF Cranwell, Regional Activity Centre where they practiced their flying skills on state of the art flight simulator.

2065 (Biggleswade) squadron are the second squadron outside of camp to use this facility out of all the squadrons in the region.

The RAC has a variety of rooms including, IT suite, radio room, flight simulator and air traffic control viewer. All of these rooms give the cadets opportunities to progress on skills need for when gliding and flying.

#### **Editors notes:**

Attach as Jpeg is photos of the cadets practicing their flying skills.
