

Sawston Cadets fill the Breach

Cadets from 2461 (Sawston) Squadron of the air cadet organisation made their way recently to Mountnessing in Essex for the Mountnessing School Fete and Aviation Day.

The cadets from 2461 went to Mountnessing School in Essex to help at the Mountnessing School fete when the squadrons civilian committee chairman was informed that the local squadron was unavailable to help due to prior commitments.

The Sawston cadets ran a paper aeroplane competition, did a drill demonstration, ran the tug of war and showed the crowds a greens exercise.

The crowd at the school also enjoyed fly pasts by many different aircraft organised by 2461's civilian committee chairman Mr Dave Freestone.

Sgt George Blackwell said "It was an honour to be there and everyone enjoyed themselves."

Mr Dave Freestone Civilian Committee Chairman for 2461 said "I am immensely proud to see our cadets and staff here today getting involved in so many of the activities. The school staff, pupils and visitors are also very impressed. Those here representing 2461 Squadron are a credit to the squadron and the ATC Organisation."
