## **PRESS RELEASE**

### **'THE ITALIAN JOB'**

A Civilian Instructor (CI) from 207 (Cranfield) Squadron Air Cadets is back from Italy after a gruelling 9 day charity motorcycling event covering over 2900 miles.

CI Dave Robinson organised a group of 12 motorcyclists to travel from the UK to the Italian round of the Moto GP Championship (Motorcycling's answer to Formula 1) in Mugello. Whilst en route, the team stopped at several famous racing circuits, both present and those from days gone by. These awe inspiring tracks included: Circuit de Chimay; Spa Franco champs; Nurburgring; Hockenheim; Monza and Imola.

Though each day consisted of riding over 300 miles through all types of weather conditions, the team also managed to stop at The Moto Guzzi Factory at Lake Como and The Ducati Factory at Bologna.

The team has been busy collecting sponsorship for Clic Sargent - a charity who lend support to children suffering from cancer. The team have amassed a total of just over £10,000 for the charity.
