PRESS RELEASE

LEADERSHIP SKILLS

Five Air Cadets from 2484 (Bassingbourn) Squadron have successfully completed a JNCO Course run by the Bedfordshire and Cambridgeshire Wing Training Team.

The five Cadet NCOs learnt various skills like drill instruction, communication, leadership and teamwork skills at a weekend course held at RAF Brampton. These skills will help develop them into stronger NCOs on the Squadron whilst at the same time giving them skills that will be useful for the future.

Alongside the Cadets attending the course as candidates two Cadet SNCOs attended to assist the staff running the course. Flight Sergeant Martin Goddard and Flight Sergeant Sam Pink were on hand to give help and guidance to the Cadets along with admin support to the staff.

Squadron Training Officer Adult Flight Sergeant Chris Cox said *"The skills the Cadets have learnt over the weekend will stay with them for life, making these Cadets extremely useful assets to both the Air Cadet Organisation and future employers. This is just one of the many opportunities available to Cadets in this area; Cadets are currently working towards qualifications such as first aid, the Duke of Edinburgh's Award and BTEC Diplomas"*

2484 (Bassingbourn) Squadron is open to young men and women aged between 13 and 17 years old. We meet on Mondays and Wednesdays between 18:45 and 21:45 at Bassingbourn Barracks. For more information please contact 01763 249156.

Civilian Instructor Gemma Brown
MCO 2484 (Bassingbourn) Squadron
