## PRESS RELEASE

### CADETS HEAD FOR “THE ROCK”

Three cadets from 1220 (March) Sqn have recently returned from an overseas camp in Gibraltar.

Flt Sgt Alexa Ferguson, Cpl Lauren Arnold and Cpl Simon Foster joined cadets from across the Central and East Region on a week long camp based at RAF Gibraltar.

The time was spent on Section visits around the base as well as taking part in exercises with No 2 Overseas (Gibraltar) Sqn Air Cadets who are permanently based on the Island. Time was also spent looking at the history and tourist sites of both the island and the Spanish mainland including trips to the siege tunnels and the famous rock as well as trying out one of the local theme parks.

Cpl Lauren Arnold said “It was a very busy week but we had a great time and the local cadets and people were very friendly.

Gibraltar is one of several overseas camps that take place each year giving cadets the opportunity to experience what an overseas base is like as well as being able to sample the local culture and history.
