PRESS RELEASE

FLYING HIGH

Duxford Airfield once again became a hive of aeronautical activity this weekend as it played host to its annual air show. On Sunday 11th of October, cadets and staff from 207 (Cranfield) Squadron Air Training Corps had the privilege of attending the air show to help their counterparts from 2523 (Linton) Squadron at the event.

After helping with various tasks, they were invited to spend the rest of the day watching the aircraft displays, enjoying talking to the aircrews as well as getting up close views of the aircraft.

Flt Lt Paul Weston, commanding officer of 207 Squadron, said *“The cadets have been talking about their day since they got back and have all asked when they could go back and help again. The day was a great success and I am very pleased that the cadets are keen to do this again.”*

If you have a son or daughter aged between 13 and 18 and like the sound of this activity, 207 Squadron are now recruiting new cadets. For more information, please contact the Squadron on 01234 752030 or call in at their Headquarters off Merchants Lane, Cranfield between the times of 7:30pm and 9:30pm on a Monday or Thursday evening.
