## **PRESS RELEASE**

### **Cadets back on “The Rock” again**

The Rock was host to 1220 (March) sqn for the second time in less than a year as two cadet sergeants and an adult member of staff from 1220 (March) squadron spent a week in the sunshine at RAF Gibraltar.

During the week, Sgt Tim Kightly and Sgt Alex Ogden learned much about the history of Gibraltar, visiting the siege tunnels and many of the underground caves. They were accompanied by Adult Sergeant Brian Goodall, on his first overseas camp.

They also took part in a parade to commemorate the 25<sup>th</sup> anniversary of Gibraltar’s own Air Cadet Squadron which was featured on Gibraltar television. During the stay, they also took the opportunity to visit a safari park and theme park in nearby Spain, met the apes and operated a bomb disposal robot.

Gibraltar is one of several overseas camp that happen annually, giving cadets the chance to explore something different, experience a different culture, and learn about the area’s historical significance.
