

Cadet Reaches The Height of his Training

Monday 5th July 2010, staff at Wisbech Air Cadets were able to present Cadet Sergeant (Sgt) Stephen Ferrett with his Staff Cadet certificate. This was presented to him by Flt Lt Goodley, Officer Commanding Wisbech squadron.

Sgt Ferrett started at Wisbech Squadron in May 06, as a cadet and has worked his way through many exams such as Aircraft Navigation, Aircraft Handling and Propulsion. He has also completed an oral assessment and interview to show his knowledge of the corps and has completed many courses to reach this level.

Sgt Ferrett is also a Wing Marksman showing competency in shooting and is a valued member of the Squadron's Band where he completes the drumming section. He also teaches Aircraft Recognition.

Sgt Ferrett said on achieving the qualification " I have worked hard for 4 years and am pleased to reach this level. I am now looking to help the younger cadets in their training "

Sgt Ferrett is hoping to achieve a career in the Royal Air Force in Intelligence Section or Police Section.
