## PRESS RELEASE

### EDUCATIONAL VISIT

Air Cadets from 1220 (March) Squadron recently visited the Imperial War Museum in London. After an early start the eighteen Cadets travelled by minibus to the museum.

Upon arrival they chose to visit the Holocaust exhibition first. The Cadets took their time to learn more about the event as some of them are currently studying it at school. Cadet Sophie Radley said "I found the visit really interesting particularly the Holocaust exhibition as it helped to expand on the teaching we've had in English and History. I have a better understanding of what happened from looking at the pictures and taking time to read the accounts."

After lunch the cadets spent time looking around the rest of the museum, some of the other highlights were the 1<sup>st</sup> World War trench experience and the Air Raid shelter exhibit.

For further information on 1220 log onto the website at [www.1220atc.org.uk](http://www.1220atc.org.uk) .
