## **PRESS RELEASE**

The Air Training Corps is not only about learning leadership skills and citizenship training – they also promote physical activities and adventurous training. Recently, 3 cadets from 207 (Cranfield) Squadron (ATC) went to Priory Lake in Bedford for a day of Kayaking. The cadets were taught the basics of kayaking at the day long event; these included a trip onto the River Ouse after some capsized training and mastering how to manoeuvre the kayak.

Cadet Sergeant Thomas Harris, 17, said *“It was an enjoyable day for all of us, a lot was learnt about a difficult skill but I thoroughly enjoyed it. It was also good to see some of the younger Cadets from our Squadron take part in the day”*.

The cadets were taught throughout the day by qualified instructor Squadron Leader Dicks RAFVR(T) and further opportunities for kayaking for the cadets are planned throughout the summer.

If the thought of joining the Air Training Corps appeals to you or you know someone aged between 13 and 18 who may be interested, please contact the Squadron on 01234 752030 or call in at their Headquarters off Merchants Lane, Cranfield between the times of 7:30pm and 9:30pm on a Monday or Thursday evening.
