PRESS RELEASE

More Sporting success for Cranfield Air Cadet.

This year, Central and Eastern Region of the Air Training Corps have been doing exceptionally well in various sporting disciplines and for the 9th year running, have been awarded first place in the Corps' Sports Trophy. Helping the Regional team on their way to this phenomenal achievement was Cadet Sergeant Sam Balmbra, 17, from 207 (Cranfield) Sqn.

Sam was selected to compete for the team at the Inter-Region swimming competition after his success at both Inter-Squadron and Wing levels. At the event, he fought off some stiff competition to win a gold medal in the senior boys category freestyle relay.

Overall, the Central and Eastern Region Swimming Team won a total of 12 trophies on the day after all put in a sterling effort.

Sergeant Balmbra was proud of his achievement: "It was physically demanding but highly rewarding. It's a shame that there is no Corps team, but I thoroughly enjoyed swimming for my Region after representing my Wing and Squadron to get here."

You don't have to be good at sports to become a member of the ATC, as there are hundreds of activities on offer. If you are aged between 13 and 18 and interested in becoming a member, please contact the Squadron on 01234 752030, take a look at their website at www.aircadets.org or www.207atc.org.uk or call in at their Headquarters off Merchants Lane, Cranfield between the times of 7:30pm and 9:30pm on a Monday or Thursday evening.
