PRESS RELEASE

Sporting events are one of the many activities on offer to Air Cadets and are attended by many on a regular basis throughout the year.

On Sunday the 5th September, 10 cadets from 207 (Cranfield) Squadron made their way to RAF Brampton to take part in open netball, senior rugby and junior boys football trials.

Overall the day was a success with several cadets from Cranfield being selected for the Bedfordshire and Cambridgeshire Wing teams - the girls' netball team narrowly missing out on Bronze medals based on goal difference.

Those cadets that were selected for the Wing teams will go on to play against other Wings in the Central and Eastern Regional competition in October.

Cadet Flight Sergeant Lauren Dougherty, 18, said *"It was great to spend the day playing in the netball team and supporting the male cadets between our matches. I am very pleased for the Cadets who have made it through to the Wing teams and I hope that Beds and Cambs make it through to the Regional competitions in netball, football and rugby, I wish them the best of luck, there is always a great spirit between the teams at these events and it is a great chance to get to know the people in your team."*

If you are aged between 13 and 18 and think you may be interested in becoming a member, please contact the Squadron on 01234 752030, take a look at their website at www.aircadets.org or www.207atc.org.uk or call in at their Headquarters off Merchants Lane, Cranfield between the times of 7:30pm and 9:30pm on a Monday or Thursday evening.
