### PRESS RELEASE

#### **RAF CRANWELL HOSTS SUMMER CAMP**

This year's annual camp was hosted by the RAF College Cranwell and 7 cadets from 1220 (March) Squadron formed part of a contingent of 38 who enjoyed a packed week of activities and visits.

As well as an Officer and Aircrew training college RAF Cranwell is also a flight training school and cadets took full advantage of flights offered during the week. Although the weather prevented the light aircraft from flying much of the time the larger twin engine trainers were not affected. On the Wednesday cadet James Lyttle took part in a two hour training sortie on board a King Air multi-engine trainer and on the Thursday Corporals Simon Foster and Lauren Arnold flew to Scarborough on board a Dominie Jet Trainer.

Cadets enjoyed the opportunity to visit the Battle of Britain Memorial Flight as well as the Lincolnshire and Newark Aviation Museums. On a more modern note they visited the Fire Section on base where what has been described as one of the best water fights for some time concluded the tour. There were also visits to see the work of the Survival Equipment Workshops and RAF Police Dog Section.

The college opened up as much as possible to the cadets with tours of aircraft, low ropes exercises, trips to the gym and shooting.

1220 are now recruiting. If you are aged 13 to 17 why not come along to our open evening on 8<sup>th</sup> September and see what one of the areas premier youth organisations does. The next intake night is Tuesday 14<sup>th</sup> September. For further information on 1220 log onto the website at [www.1220atc.org.uk](http://www.1220atc.org.uk).
